- **PLASTIC TIE-WRAP**
- **4" / 6" / 10" VARIOUS LENGTH**
- **100 PCS**

Cable ties are very handy for securing groups of cables, wires or a variety of products. Three sizes to choose from for bundle diameters with 4.0", 6.0" and 10.0". Made from tough nylon material and packaged in groups of 100 pieces.

- Advanced pawl-design produces superior locking power.
- Low profile head enhances appearance and snag resistance.
- Elimination of ejector pin marks along the strap promotes smoother pull-through.
